

## **TEOXANE'S RHA® HYDRA MASK NAMED AN ALLURE BEST OF BEAUTY 2026 BREAKTHROUGH WINNER**

**Prestigious US beauty award recognizes breakthrough innovation and marks another important milestone in Teoxane's growth journey in the United States**

Geneva, Switzerland, September 17<sup>th</sup> - Teoxane, a global leader in aesthetic medicine and skin quality innovation, today announced that its **RHA® Hydra Mask** has been named an **Allure Best of Beauty 2026 Breakthrough Winner** in the United States, one of the beauty industry's most respected and influential recognitions.

Awarded annually by Allure, the Best of Beauty Awards celebrate products that stand out for their innovation, efficacy, and ability to address evolving consumer needs. The Breakthrough Winners category specifically recognizes innovations that are redefining standards within the beauty and skincare industry.

Designed to support skin quality through intensive hydration and skin barrier support, RHA® Hydra Mask reflects Teoxane's commitment to translating scientific expertise into high-performance skincare solutions. Powered by Teoxane's expertise in hyaluronic acid and skin quality, the product has become a key component of the brand's advanced skincare portfolio.

This recognition represents more than an award for a single product. It marks another important milestone in Teoxane's ambition to strengthen its presence in the United States, one of the world's most competitive and dynamic beauty markets. As the company continues to expand its footprint, achievements such as this help reinforce brand credibility, increase awareness among consumers and industry professionals, and contribute to building long-term reputation in a strategically important market.

The award further reinforces Teoxane's mission to advance the science of skin quality through innovative solutions that bridge aesthetics, skincare, and consumer needs.
